# **STATE INCOME TAX WITHHOLDING INFORMATION DOCUMENT**

This document is intended to provide you with information regarding state income tax withholding rules applicable to retirement-type distributions by an insurance company, such as ZALICO, in effect as of December, 2017. State laws are subject to change from time to time. The information below is based on ZALICO's understanding of the relevant laws; ZALICO does not warrant that the information is correct, nor does it undertake to update the information to reflect changes in state laws. This document is not intended or written as specific legal or tax advice and may not be relied on for purposes of avoiding any state tax penalties. Neither ZALICO nor any of its employees or representatives is authorized to give legal or tax advice.

### **State Income Tax Withholding—General Information**

State income tax withholding is based on your legal state of residence as shown in our records. Please notify us if you maintain a different legal residence.

The amount of tax withheld (if any) may be based on whether your payment is a periodic distribution or a non-periodic distribution. A series of payments made at regular intervals over a person's life or over a period of greater than one year is considered a series of periodic distributions, for example, annuities or installment payments. Any payment as a single-sum or at irregular intervals is a non-periodic distribution.

Please note that regardless of your election with respect to withholding, you may be liable for state income taxes with respect to the taxable portion of payments from ZALICO. In addition, you may be subject to interest or penalties on underpayments of tax. We suggest that you consult with a tax advisor in order to ensure that you make timely tax payments.

The information provided is intended to supplement the information ZALICO has provided to you with respect to federal income tax withholding requirements.

### **No State Income Tax Withholding**

ZALICO will not withhold for state income taxes in the following states. Please elect "no state withholding":

Alaska - AK	Nevada - NV	Tennessee - TN	Wyoming - WY
Florida - FL	New Hampshire - NH	Texas - TX	
Mississippi - MS	South Dakota - SD	Washington - WA	

### **Voluntary State Income Tax Withholding**

The following states do not require ZALICO to withhold state income taxes on periodic and non-periodic distributions, even though federal income taxes are being withheld. If you wish to have state income tax withheld, you must elect state income tax withholding and indicate on the election form the percentage of the distribution that you wish ZALICO to withhold.
